Date of publication and production of master: 1978

Series: The purpose of this series is to make available those catalogues that have lasting interest through their text or their illustrations. Catalogues and cumulations of titles in the series are available from the publishers.

Serial numbers: Each title is identified by a three-part serial number. The first part of the serial number designates the sales list in which the title was first announced. The second part indicates the agent of publication, i.e. the museum, gallery or organisation that was responsible for the publication of the catalogue. The third part of the serial number is the number allotted to that title.
